CLOSING REPORT

The Ridley Fund 1980 - 81

On a January weekend in 1978, a group of Alumni from Canada and the United States met at Ridley with the object of evaluating the effectiveness of the annual giving program being utilized at that time. It was found to be lacking and it was the opinion of that meeting that a direct mail type program would be more productive for Ridley. That meeting produced the seed of the current program, The Ridley Fund.

The goals set for The Ridley Fund were to increase the number of annual contributors, to increase the size of the individual donation and to substantially increase the amount of annual giving. Above all, it was hoped that year by year more and more people would get in the habit of making an annual donation to Ridley.

For several years prior to the establishment of The Ridley Fund the annual giving program consisted of telethons held in twelve cities across Canada and in the United States. In addition one direct mailing was sent to those not contacted during one of the telethons. The principle weaknesses of this method were that it was impersonal and did not directly reach enough members of The Ridley Family.

The Ridley Fund involves well over 200 volunteers consisting of Alumni, Current Parents and Past Parents who are responsible for the actual operation of the highly personalized direct mail campaign. The success of such a direct mail approach is directly related to the performance of the Class Agents, Associate Class

Agents, the Current Parent Grade Agents and the Past Parent Chairman. Ridley is fortunate to have so many dedicated members of her family that have acted in one of these capacities over the past two years.

In 1978-1979, the last year of the old program, The Ridley College Foundation and The Ridley College Scholarship Fund Inc. received \$110,494 from 1,502 contributors. In 1979-1980, 1,515 donors contributed \$140,100 and in 1980-1981, 1,639 contributions were made in the amount of \$171,656.

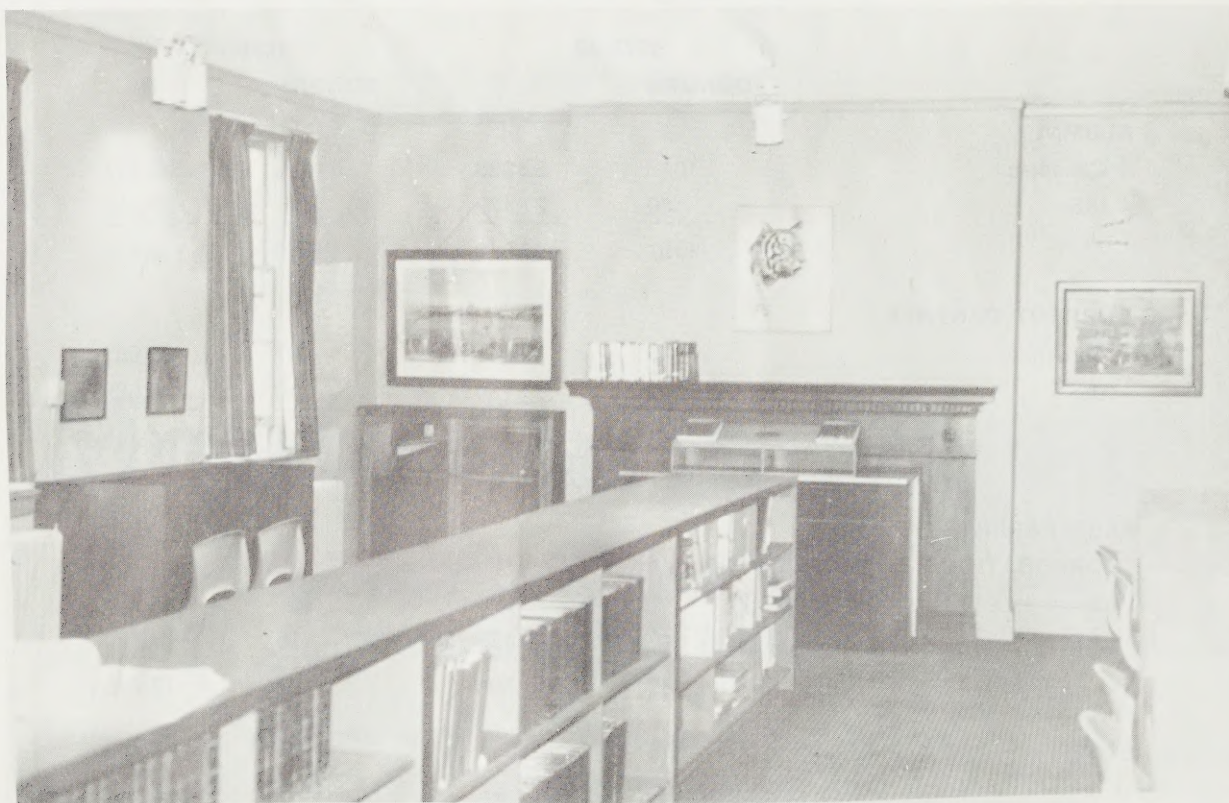

All of the original goals of The Ridley Fund have been met to date. While the overall number of donors has only marginally increased, the alumni picture is somewhat encouraging. The following summary of contributors shows the breakdown by category.

	1980 - 1981	1978 - 1979	Percentage Increase/Decrease
Alumni	1,219	1,019	+ 19.63
Current Parents	217	216	+ 0.46
Past Parents, Staff & Friends	203	267	- 2.40
	<u>1,639</u>	<u>1,502</u>	

The size of the per capita donation has increased from \$73.56 to \$104.73 and the total annual giving has increased by \$61,161 over this two year span.

A report of this nature would not be complete without me expressing my sincere thanks to all those members of The Ridley Family who have made the effort, be they fund raisers, contributors or both, that has resulted in the success of The Ridley Fund.

The State of The School, September 1981

A Message From The Headmaster

Ridley College with 513 enrolled in Grades 6 through 13 has the largest number of students in its history. Lower School under the Headmastership of Reverend Don Hunt continues to be the premier residential preparatory school in Canada, with 97 boarders and 58 day students, all boys, in Grades 6 through 9. Upper School numbers 257 boarders and 101 day students in Grades 10 through 13; 70 of these are young women in Grades 11 through 13 (49 boarders, 21 day). These stu-

dents represent most of the provinces of Canada, many of the 50 United States, and strong contingents from Bermuda, the West Indies, Mexico, Venezuela, and Hong Kong. But the majority of Ridley's students are, as has historically been true, from the province of Ontario.

The more than 150 new students represent one of the strongest accretions in terms of both academic ability and personal accomplishments that Ridley has ever had. The Upper School was virtually full for 1981-82 before the end of last school year, and summer withdrawals were made up from a strong waiting list. A newly established Admissions Department under the direction of 22-year Ridley veteran Maurice Cooke is already processing applicants for both next year and the year after. Tuition and board charge this year is \$8,675 (plus \$340 in set

fees) in the Upper School (slightly less in the Lower School); and day students pay \$5,525 for tuition and meals.

That the parents, of far more students than are actually enrolled, are willing to contemplate paying these fees speaks well of the value in which Ridley's small classes, dedicated teachers, and supportive structure for both academic and character development are held. Members of the Ridley Family, especially, should be aware that our scholarship and bursary awards (exclusive of those to staff children) this year are over \$150,000. Such funds are tied almost exclusively to financial need, concerning which we are forced to require increasingly stringent documentation. But, we attempt by spreading our funds broadly to enable as many as possible offspring of hardworking middle class parents to see a Ridley education as at least a possibility.

Physically, Ridley is in excellent shape with neither the plant nor its staff being the least bit "fat." The grounds are beautifully kept by a very small crew; and despite our more than 50 acres of property and over a dozen buildings Ridley still does not have a truck — even a pickup — in its property inventory! Recent construction has been renovation of houses, including during the last summer the refurbishing and dividing into two self-contained "houses" of Merritt House, and the rehabilitation and similar subdivision of Gooderham — the east wing of which is now inhabited by girls, in addition to all-female Deans House. Old Ridleians will be interested to know that "New Boy system" still operates in a constructive modern guise, that the Cadets still march in review in May, and that School pride and spirit are generally accorded to be excellent.

H.J.P.

Scholarships and Bursaries

In the lower grade levels (6 through 10) most scholarships are awarded on the basis of the results of written examinations. Some of these scholarships are awarded regardless of the financial need of the applicant while others are designated for students who require financial assistance in order to attend the school. Examinations are written in February each year.

Bursary assistance, for entry into all grade levels, is available each year. This assistance is granted to students who have a good, positive record and the

awards are made following an assessment of the calibre of the student as well as the need of the family. Applicants are required to complete an application for financial assistance.

In the 1981-82 academic year, 85 students (approximately 16% of the student body) are being assisted with a total of \$220,000. No student is receiving full subsidy. At the present time, the largest awards are two R. S. McLaughlin Bursaries (\$6,500) available to students in Grades 12 and 13.

Many of the annual named awards are a result of endowment funds. The most recently established scholarship, an annual award of \$1,000 is in memory of Edward Coleman, who attended Ridley from 1917 to 1921. He graduated from Grade 13 in 1921 having been a Prefect and having played on 1st Football and 1st Hockey teams.

For further information contact Mrs. Janet Lewis, Secretary of Scholarships and Bursaries.

Bequests

The School and the Ridley College Foundation wish to acknowledge the generous bequests that have been received during the past year.

The estate of Kingston L. Ashbaugh (46)

The estate of Mrs. E. Coleman, widow of Edward Coleman (21)

The estate of Mrs. V. K. Matthews, mother of A. Kelly Matthews (31)

The estate of George W. Gooderham (28)

The estate of Thomas P. Lownsborough (28)

The first Alumnus to identify the gentleman in the background wins a Sports Ridley shirt. Call the editor.

The New Campaign Is Launched

The Ridley Fund to date this year has raised \$42,000 chasing a goal of \$195,000. To be on target we need \$85,000 more by December 31, 1981. To help us beat our record and qualify for the 1981 Charitable Deduction, please respond today.

THE NEED

Ridley Fund 1981 - 82

As incoming Chairman of the Ridley Fund, my foremost thought is one of thanks for the outstanding job done by our initial Chairman, George M. Hendrie.

The concept of our new approach to fund raising was right in the Steering Committee's view and I believe the results to date have supported this conviction.

However, the challenges remain, and my enthusiasm is strong, based on the ongoing faith in the ability of the Ridley Family to perform when confronted with clear goal objectives.

tives.

In his report, the chairman of the Financial Support Committee has outlined these goals. I would like to stress the ongoing need.

Ridley needs to improve its ability to perform. The priorities are wide as shown by asking this question of any number of the Ridley Family. The message I get most often is the necessity to enlarge the bursary, scholarship and endowment.

The financial pressures to send a boy or girl to Ridley today are severe. It is incredible how many are making the important sacrifice.

We must provide increased opportunity to those who want the privilege, and who deserve it, but simply do not have sufficient means. That surely is part of the spirit of the Ridley Family.

The school badly needs a new administration building. There is the ongoing renovation of Merritt House which has just started. This project will take at least a couple of years and probably longer. The stem of the "T" of Gooderham House is still to be completed. More renovation is badly needed in the Lower School.

Your contributions to the Ridley Fund form part of the Ridley Foundation which grants monies to the school in relation to need priorities.

Please help Ridley meet its priorities through annual giving. We have a \$238,000 capital deficit to eliminate.

I know we can meet this challenge.

Crawford Gordon '56
Chairman, Ridley Fund

Will Power

Though to some people "Will Power" means only "Determination," to the Ridley Financial Support Committee it signifies the many benefits that gifts to Ridley by Will can bring to current and future generations of students.

YOU have the potential to exercise "Will Power." Please consider a bequest to Ridley College. For suggestions write or phone Sam Heaman at Ridley, (416) 684-8193.

After Tax Cost of Donations

Both Ridley College and The Ridley College Foundation are registered Canadian charities and thus donations to them are tax deductible to Canadian taxpayers. The Ridley College Scholarship Fund Inc. is a registered charity in the United States and hence donations to that organization are tax deductible to U.S. donors. We thought it would be interesting to set out for you the approximate after-tax cost of a \$100 donation to Ridley for an individual resident in Ontario at December 31, 1981.

Taxable Income	You Pay	The Government Absorbs
\$10 - \$15,000	\$69	\$31
\$20,000	66	34
\$26,000	59	41
\$30,000	53	47
\$50,000	47	53

Naturally, the amount you pay may be more or less depending on the province or state in which you live.
